

DIAPER POLICY

How often should I bring diaper supplies?

Parents should bring diapers and wipes weekly, providing an ample supply to last for the week.

What happens if I forget to bring my child's diaper supplies?

If you forget to bring diaper supplies and your child does not have any supplies remaining at the center, we will contact you immediately. If possible we will offer two options, you may bring the supplies immediately or KWJ may provide the supplies for the day and a \$5.00 service fee will be charged. If we are not able to reach you or wait for you to bring the supplies, KWJ may provide supplies that are in stock and the full \$5.00 service fee will be charged. Diaper Service payments are due immediately, the following day and are payable by cash, check or credit card. Please contact Marie Rotella in the child care administrative office to make payment arrangements 732-379-5114.

How do I calculate the cost for KWJ Diaper Service?

To determine the cost for your KWJ Diaper Service (per child), if I forget to bring supplies:

1. Calculate the total number of diaper service days
2. Multiply the total number of diaper service days by \$5.00 per child

Does the KWJ Diaper Service, include diaper supplies for use outside of school?

No, the fee covers diapers and wipes to be used by the child during the time the child is actually in attendance at the center.
