

To All,

As our time at KWJCCC comes to an end, with a heavy heart we say goodbye to our friends that have become like family. We would like to take this opportunity to thank you all for being such an important part of both [REDACTED] lives. Each and every one of you, whether you have been involved momentarily or for a long period of time with our girls, have been such a blessing to us because we know you have cared, comforted and bonded with them throughout the years. We have always felt that our daughters have been in great hands, greatly cared for and in a loving environment. As a parent, one of the hardest things we have to do is leave our children in the hands of complete strangers. But you all have become like family, who have watched our daughter's grow and have had a great impact in their lives. Can't thank you all enough!

I hate to name people individually because I know I will miss some and to be honest I forget names at times so please forgive me if I do, but the following people have spent a GREAT deal of time with [REDACTED] and have had a significant impact on their development. Some are recent and some are from their past but please know that you are very special to us and you hold a special place in our hearts: Ms. Erin, Ms. Kamal, Ms. Patricia, Ms. Tracy, Ms. Ashley, Ms. Keith Ann, Ms. Melinda, Ms. Lata, Ms. Mona, Ms. Stephanie, Ms. Jean, Ms. Lisa, Ms. Jade and Ms. Maria (toddler). You ladies work so hard and have been so attentive, loving and caring. [REDACTED] walk away from KWJCCC with such a strong foundation and we thank you all for playing a part in this. To all the wonderful ladies in the office: Helen, Anna, Marie, Anitha and Dr. Avonia Richardson-Miller, thank you for all the support that you provide year round. To those new faces and those whose names I didn't catch...thank you for always greeting us with a warm smile.

Whether we have had daily interaction or have crossed paths in the hallways throughout the years, we thank each and every one of you for creating such a loving, caring and safe environment for our daughters. It has been a pleasure getting to know you all and sharing the most important part of us with you. Wishing you all the best! We will truly miss you all!

With love and appreciation,  
The Jimenez Family
